THE RED AND GREEN

JAMESTOWN HIGH SCHOOL
JAMESTOWN, NEW YORK

FOREWORD

IN THESE troubled times, when most of us are directly or indirectly affected by worldwide strife and war and when thoughts of an uncertain future are uppermost in the minds of many, we have chosen "songs" as the theme of the 1951 *Red and Green* in an effort to emphasize the lighter side of life. We have tried to introduce each section of the book by an appropriate song title elaborated by word and by picture.

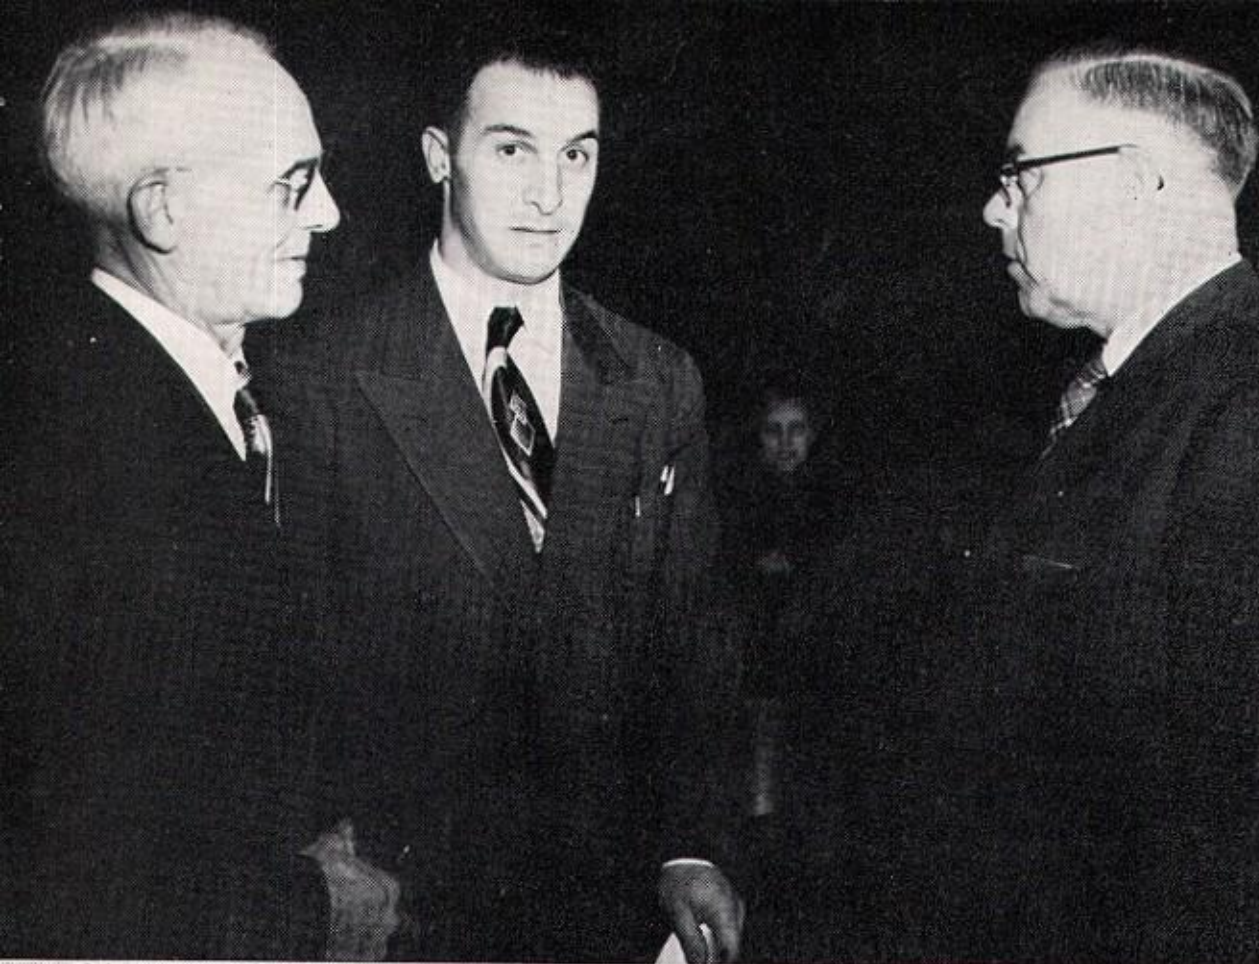

To our school, as well as to the nation as a whole, the issue of war is a live one in that so many of our boys are, or soon will be, serving in the armed forces. This situation is a challenge to American youth to perpetuate, with courage and faith, our way of life. Although we can never neglect our duties as citizens of a free country without endangering that freedom and the freedom of the world, we still need to retain a cheerful outlook that will see us gracefully through the troubled years.

With this thought in mind, we have attempted to embody, in this year's annual, the spirit of optimism which is so essential today.

THE Class of '51 gratefully dedicates the *Red and Green* to Miss Madeleine Rogers whose ceaseless labors and unlimited enthusiasm have provided the class with the courage "to look up, and not down; to go forward, and not back." Her able guidance has resulted in three years of efficiently planned class functions which will long be remembered.

"For He's a Jolly Good Fellow . . ."

ADMINISTRATION AND FACULTY

OUR superintendents, principals, teachers and Board of Education are truly "jolly good fellows" to give to us, the students, so much of their time and consideration. Memories that we have of school life are, in a sense, memories of our solicitous teachers.

Mr. Hugh L. Gillis, Dr. Carlyle C. Ring

THE ADMINISTRATION

THE affairs of the Jamestown Public Schools are capably administered by Dr. Carlyle C. Ring, Superintendent of Schools, Mr. Hugh L. Gillis, Assistant Superintendent, and the Board of Education.

The members of the Board are Mr. Weldon M. Nelson, president; Mr. Arthur R. Smith, vice-president; Mr. Paul

A. Ahlstrom, Mrs. Clarence A. Bjork, Mr. Gerald E. Hunt, Mrs. Lewis G. Lynn and Mr. Stanley A. Weeks.

The students of Jamestown High School are grateful to these public-spirited citizens for their efficient administration of the educational program of this community.

BOARD OF EDUCATION

Mr. Arthur R. Smith, Mrs. Clarence A. Bjork, Mr. Stanley A. Weeks, Mr. Weldon M. Nelson, Mr. Gerald E. Hunt, Mrs. Lewis G. Lynn, Mr. Paul A. Ahlstrom.

In Memoriam

MISS LUCILLE ANDERSON

LAST fall, all of us, both faculty and students, were grieved at the passing of our popular school nurse. She will long be remembered for the cheerful manner in which she performed her duties. Her lovely voice is stilled and her gentle smile we shall see no more. Yet, because she walked with us this little while along life's way, either as our school nurse or valued associate or a cherished friend, she cannot be wholly gone. We will always remember her.

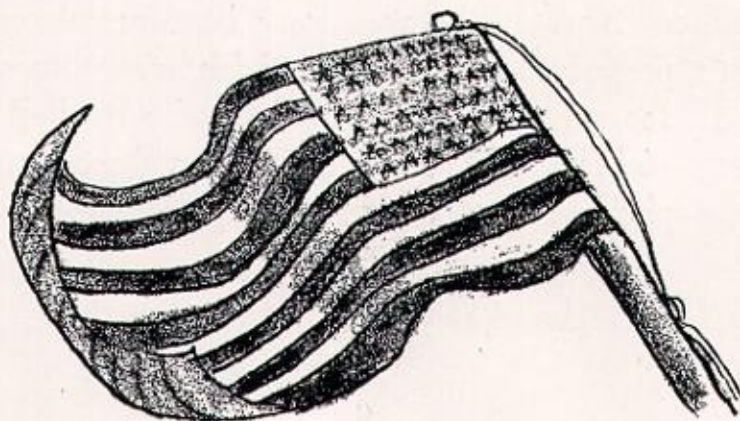

Mr. Avary E. Williams, Mr. Merton P. Corwin

OUR PRINCIPALS

MUCH of the credit for the progress of our school can be attributed to the unceasing efforts of our Principal, Mr. Merton P. Corwin, and our Vice-Principal, Mr. Avary E. Williams. Although we students see them only on occasion, we are aware that running a school as large as this is a tremendous task.

Both Mr. Corwin and Mr. Williams have been working with students for years and understand the trials facing them. Guided by natural aptitudes and experience, our principals have not only accomplished a great deal materially, but also have inspired the teachers and students with confidence and respect.

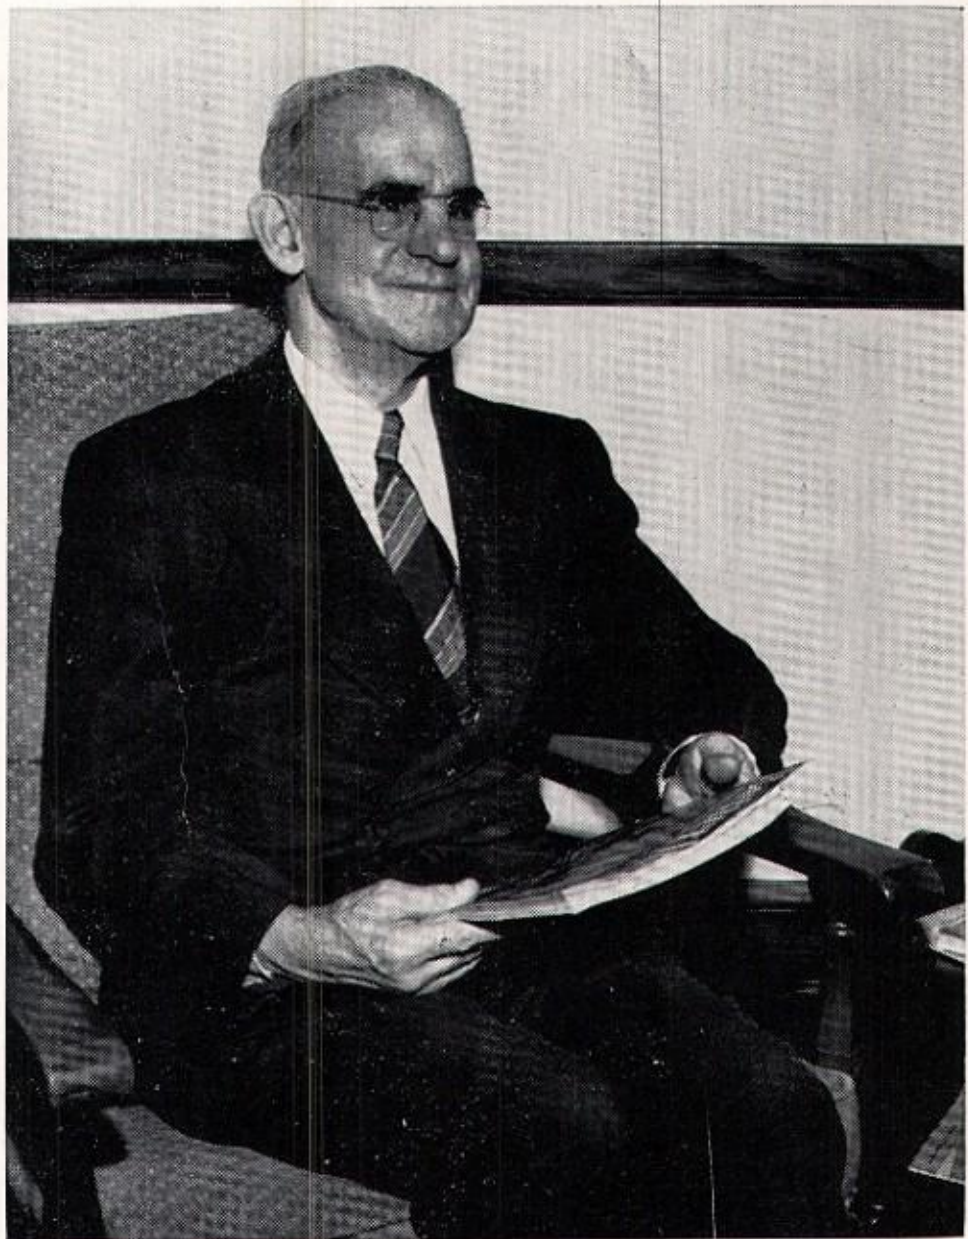

MR. WILLIAM ARMOUR SMITH, well-known mechanical drawing teacher, retired last January. He had spent twenty-five years in the Jamestown school system, ten of them at the high school.

Mr. Smith was born in Southbridge, Massachusetts, and was graduated with the class of 1908 at Brown University.

After graduation, he was a mechanical engineer for several years, but in 1925, he came to Jamestown to become a member of the Industrial Arts Department.

Besides teaching mechanical drawing, Mr. Smith has been interested in such sports as football and basketball. His hobbies include horticulture and the restoring of antique furniture. The latter is now his business, and we all wish him the best of luck in this enterprise.

MR. WILLIAM ARMOUR SMITH

MRS. MILDRED HUNT

AT THE end of this school year, Mrs. Mildred Hunt, a member of the Physical Education Department, will leave Jamestown to make her home in Marion, Ohio.

Mrs. Hunt came to Jamestown High School from Fredonia High School eight years ago. She is a graduate of Ithaca College, and received her Master's Degree in the Speech Department of the University of Michigan.

In addition to her work in physical education, Mrs. Hunt directed the Lyceum plays during the two years Mr. Robert C. Wilson was in the service.

The students and faculty will miss Mrs. Hunt, but wish her much happiness in her new home in Ohio.

SENIOR CLASS HISTORY

NOW that we are nearing the end of our high school careers, we begin to reminisce about the time when we first entered the halls of Jamestown High School.

The Class of '51 launched its Sophomore year under the guidance of Miss Madeleine Rogers. We chose the following officers:

President.....	James Marcus
Vice-President.....	Joseph Gjoka
Secretary.....	Martha J. Johnson
Treasurer.....	Jo Ann Holt
Keeper of Properties.....	Randall Hunter
Historian.....	James Sherman

Our first social event came early in November, when we held the Sophomore Reception which was under the direction of James Phillips, and which featured the induction of members of Honor Society. Our next activity, along with the older classes, was the participation in stunts at the Honor Society Dance.

Blue and silver were chosen for class colors, with bluebells as the class flower; our motto is "Look up and not down; look forward and not back."

The climax of the year was our Sophomore Party which was held Friday, March 11, highlighted by a superlative program and the presentation of our class banner. The stellar attraction of the program was presented by Mrs. Murphy, Miss Agostine and Miss Sellstrom in their version of "Cruising Down the River."

In the fall of 1949, another excellent slate of officers was elected:

President.....	Alan Bourque
Vice-President.....	Nancy Sandell
Secretary.....	Joan Harrington
Treasurer.....	Kay Lee Potts
Keeper of Properties.....	Dudley Ericson
Historian.....	James Sherman

SENIOR CABINET

FIRST ROW: M. Hermanson, E. Bantle, A. Bourque, N. Sandell, J. Marcus, C. Anderson, T. Swanson, M. Johnson, B. Avallone, J. Valone, Miss Rogers.
SECOND ROW: N. LaValle, C. Fuller, C. Weaver, J. Dombrowski, C. Conti, I. Ruttenbur, J. Peterson, J. Palmquist, G. Battle, D. Lewis, E. Varley, P. Davis, A. Hennas.

Collecting class dues was a successful major project that fall. The Class of 1951 had a one hundred per cent collection of dues.

A comedy, "We Shook the Family Tree," was chosen for our Junior Class play. Under the direction of Miss Myrtle Paetznick, the cast presented this hilarious production in a superb manner.

Two outstanding members of the Class of '51 were chosen to attend Boys State and Girls State last summer. They were Charles W. Anderson and Mary Michos, both active in class affairs.

Since there were so many ardent debaters in our class, we Juniors anxiously awaited the Charles E. Hall Debate. Even though we lost, our team of Calvin Torrance, Priscilla Burrows and John Valone presented many logical points.

The greatest event of our junior year was the Junior-Senior Reception which was in the form of a carnival.

Early in the fall of 1950, we, the next Seniors, ordered our class rings and pins, most of which arrived in January.

We elected another capable slate of officers with James Marcus as class president.

President.....	James Marcus
Vice-President.....	Nancy Sandell
Secretary.....	Martha J. Johnson
Treasurer.....	Charles Anderson
Keeper of Properties.....	Alan Bourque
Historian.....	Thomas Swanson

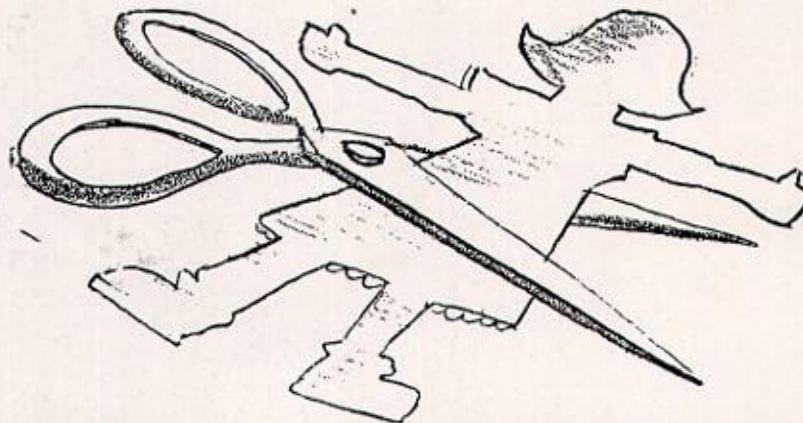

The Senior Class play, "Our Hearts Were Young and Gay," was staged on April 7. The cast, directed by Miss Paetznick, put on an excellent performance.

As the *Red and Green* goes to press, we are eagerly awaiting the Charles E. Hall Debate. After a year's experience, our senior team is at its peak.

We are also looking forward to the last lap of our high school careers. There are still many important and exciting activities, such as the Junior-Senior Reception, Senior Prom, Class Night, Commencement and finally the Alumni Reunion, which we shall attend for the first time.

We Seniors owe a great deal of our success to Miss Rogers, whose skillful guidance and wise counsel have been of immeasurable value to all of us. We want to express our appreciation to her and wish her every success in future years.

—Thomas Swanson, Historian

SENIOR CLASS WILL

We, the class of 1951, bestow our memories upon future classes as follows:

1. Nancy Sandell leaves her effervescent personality to Sylvia Snyder.
2. Frances Moynihan donates his wit to anyone who can collect it.
3. Jack Palmquist takes off, still in possession of his great assortment of sweaters.
4. Calvin Torrance leaves Mr. Wilson's first period class—with relief!
5. Jerry Larson leaves the halls a bit more quiet.
6. Mary Ann Brookler abandons her flirting and witty jokes to the birds.
7. Gail Young exits, hoping for the best with his new front tooth.
8. Alan Bourque wills his winning smile to Richard Schwartz.
9. Randy Hunter gives his position behind home plate to David Pearson.
10. Mary Jane Christopherson and Delores Johnson trot off, much to Mr. Peterson's great joy.
11. Chuck Barone and Iris Carlson float off in a souped-up eighty-eight.
12. Nancy Eaker leaves her volcanic dimples to Dan McGrath.
13. Tom Larson donates some of his excess avoirdupois to little Rob Benson.
14. Dick Carpenter wills his empty A'Cappella chair to "Harvey" (the rabbit).
15. May Ann Johansen scurries off leaving her chattering to her successors.
16. Nancy Lou Jones bestows her musical talent upon Julie Lindblom.
17. Eliot Minsker leaves his efficiency to David Button.
18. Bill Brown leaves his speed to Bob (Flash) King.
19. Priscilla Burrows bequeaths her dramatic ability to Althea Jones.
20. Miss Goranson's proteges leave their singing of "birthday greetings" to Western Union.
21. Joe Gjoka and Guy Battle exit with their hotrods, much to the relief of many innocent pedestrians.
22. James Marcus leaves his quiet, good-natured way to Norman Hazzard.
23. The "Munson Twins" leave their automotive problems for the auto shop to solve.
24. Marilyn Nelson donates her rhythmic walk to Susan Wills.

Witnesses: Eliot Minsker

CLASS SONG

Music by Nancy Lou Jones — Words by Christine O'Polka

Oh, fifty-one, we're for you in every way;
We're backing you.
Oh, fifty-one, since you've done so much for us,
To you we always will be true;
And when our school days are over and some mem'ries by us pass—
We'll still remember our remarkable fifty-one class!

PEP SONG

Tune: adapted from "Our Director"

Words by Nancy Sandell

Let's join and sing the praises of dear old Jamestown High.
We are loyal class-mates, with spirit do or die.
We'll never shirk our duties, but we will have some fun;
The best class of J. H. S., the class of fifty-one.

So here's to Alma Mater, the silver and blue.
Hands clasped together, all we give to you,
Forever pressing forward, until our work is done;
The best class of J. H. S., the class of fifty-one.

JUNIOR CLASS HISTORY

UPON entering Jamestown High School last September, we Juniors found the halls more friendly and, of course, more familiar than when we arrived as Sophomores. We were old hands and ready to begin the year at full swing with the assistance of our adviser, Mr. Herbert Beckman.

The new year meant new officers. The results of the early fall elections were as follows:

President.....	Daniel McGrath
Vice-President.....	Donna Johnson
Secretary.....	Sylvia Snyder
Treasurer.....	Larry Thomas
Historian.....	Gretchen Olson

The next project, which proved to be a hundred per cent successful, was the collection of class dues.

One of the big events of the year was the presentation of the class play, "Our Miss Brooks," on February 24.

As the *Red and Green* goes to press we are looking forward to the Charles E. Hall Debate when we hope to be declared winners.

—Gretchen Olson, Historian

SOPHOMORE CLASS HISTORY

ED by our class adviser, Mr. Walter Alexis, and our loyal officers, we, the class of '53, have laid the foundation for what we hope will prove to be successful years to come.

The officers elected for the first year were:

President	Andrew Tangalos
Vice-President	Dennis Johnson
Secretary	Irene Kaminski
Treasurer	Harold Kindberg
Keeper of Properties	Russell Guiffreda
Historian	Nancy Lou Anderson

The most important event of the first semester was the Sophomore Reception

on November 8. Many of the parents came to meet our teachers and to inspect the school.

We have chosen the white carnation as our class flower, and royal blue and white as the class colors.

The grand finale of our first year at Jamestown High will be our Spring party.

We are looking forward to the years ahead and hope that they will be just as happy as this year has been.

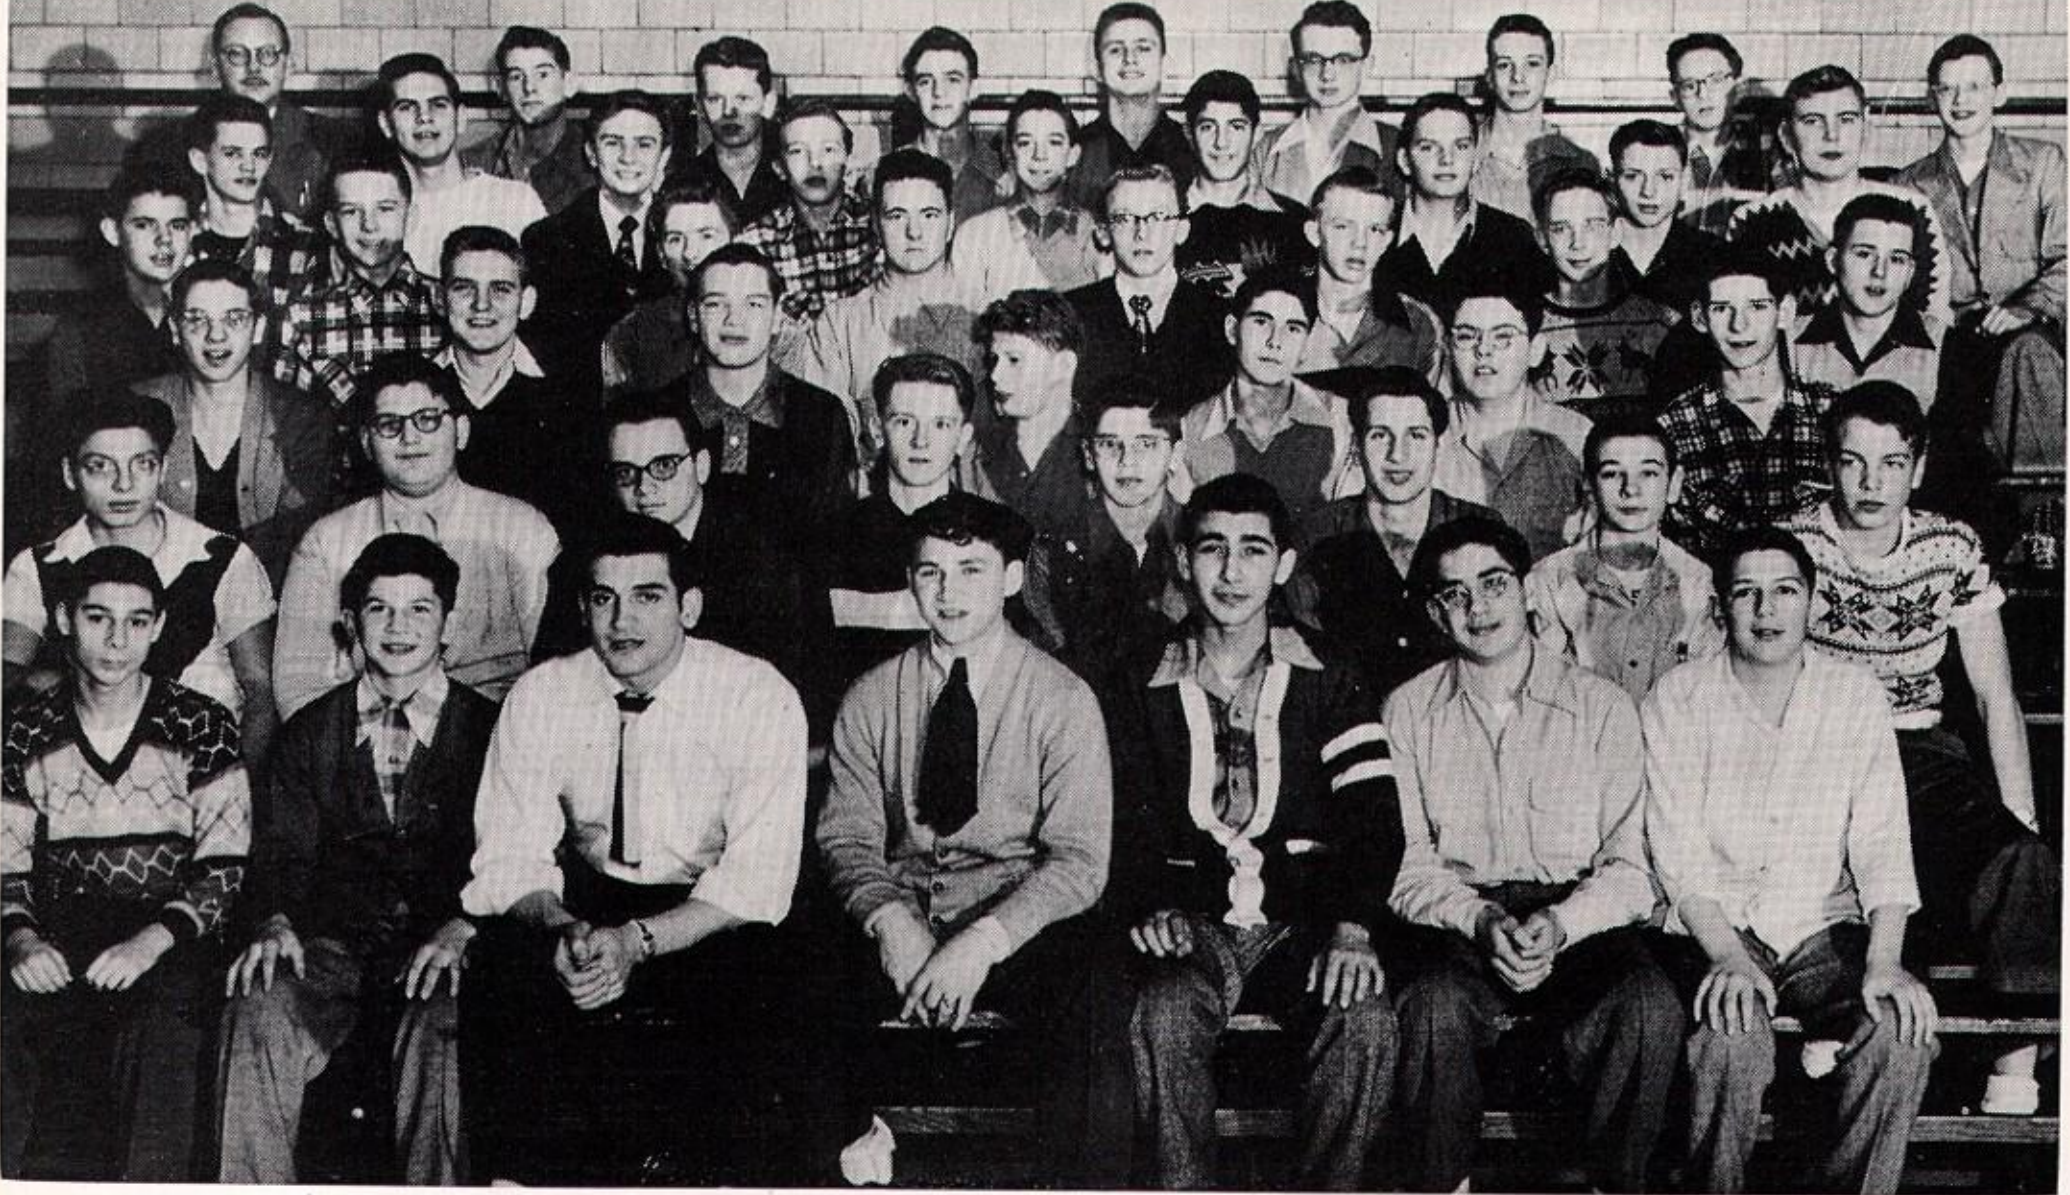

—Nancy Lou Anderson, Historian

"The More We Get Together"

ORGANIZATIONS

WHETHER we like to write, take pictures, speak in a foreign language, or follow our interests in almost any field, we are bound to find school organizations that suit our tastes. Working together in a common enterprise makes us feel that "the more we get together, the happier we'll be."

NATIONAL HONOR SOCIETY

THE Kappa Alpha Tau Chapter of the National Honor Society is completing another season with Miss Hattie Boak as faculty supervisor. In the selection of members for this organization, four basic qualities are considered: character, scholarship, leadership, and service.

The activities of the Honor Society center around projects for the betterment of the school. The first large-scale undertaking of the year resulted in a well-attended dance, "The Hallowe'en Hustle," on October 26. To augment their scholarship fund, the members devoted many enjoyable hours during the basketball season to their tra-

ditional project of selling concessions at the home games. They have also agreed to cooperate with Mr. Williams and members of the Key Club by acting as assistant air-raid wardens during practice air-raids. Spring activities are being discussed as the annual goes to press.

New members were inducted in November and again in March. Some juniors, as well as seniors, are admitted at the second tapping. At the induction ceremony, held March 21, the society presented to the Board of Education a sum of \$300 toward its scholarship fund.

Mary Michos is president of Honor Society.

MABLE LAMB, EDITOR-IN-CHIEF

The Red and Green

THE various staffs of the *Red and Green* and their faculty advisers have been busily working since October to prepare an annual which will record in an accurate and pleasing form the events of the current year at Jamestown High School.

In January, representatives from each

staff and the advisers, along with a number of *J-Quill* staff members, attended a very helpful press conference at Orchard Park, New York. At this conference, which is held annually and is sponsored by the Buffalo Evening News, the students acquired valuable information concerning the various phases of editing an annual. The thrilling mo-

ment of the meeting came when a Blue Ribbon was awarded the 1950 *Red and Green*. Mable Lamb, editor-in-chief of the 1951 *Red and Green*, accepted the award.

The sales campaign, in March, was successfully carried on by the combined efforts of the business, advertising, and editorial staffs.

Other Staffs of the Red and Green

THE editorial staff of the *Red and Green* is greatly indebted to the art staff, the photographers, the caption writers, and the typists for their willing and able help in the production of this annual.

The members of the art staff, under the direction of their advisers, have designed original drawings to carry out

the theme; the photographers have spent many hours of hard work taking an unusually large number of informal snapshots; the caption writers have expressed the characteristics of the graduates in a light and interesting way; and the typists have worked untiringly to make it possible for the annual to go to press April 1.

THE J-QUILL

TO MAKE a student an intelligent reader of the modern newspaper, to provide him with the basic principles of journalism, and to give him an opportunity to exercise this knowledge through the publishing of the school paper, this is what the *J-Quill* offers to Jamestown High School students. In each issue the staff endeavors to report news accurately, to help school organizations in their advertising campaigns, and to bring enjoyment to the readers.

Mrs. Mary T. Walsh is the adviser of the *J-Quill* staff.

MI-Y

TO PROMOTE better fellowship and to create wholesome ideals has been the aim of every Mi-Y girl. The club meets each Monday evening at the Y.W.C.A. and is directed by Miss Mary Johnstone. Throughout the year the girls participate in many activities for friendship and service.

These activities have included a Halloween party at Camp Onyasha with the Hi-Y, the "Hanging of the Greens" at Christmas, the usual St. Valentine party, the Palm Sunday Vesper Service, bake sales, silver teas, hayrides, hikes, and a week-end at Camp Yawaca on Lake Chautauqua. As part of the service activities, the girls helped with Creche Tag Day.

Last fall, a few girls took part in a panel at the Warren Regional Conference. The Midwinter Conference this year was held in Jamestown. It was a great success ending with a square and round dance. The club is also hoping to send several delegates to the United Nations this summer.

The following served as officers throughout the year:

President.....	Jeanette Lee
Vice-President.....	Evelyn Bantle
Secretary.....	Yvonne Whitney
Treasurer.....	Loretta Constantine
Chaplain.....	Sandra Norris

HI-Y

HI-Y, a service club devoted to Christian endeavor, meets every Monday night at the Y.M.C.A. Alpha Chapter of Jamestown, one of some eleven thousand Hi-Y Clubs in the world, is a member of the National Hi-Y Fellowship. The purpose of Hi-Y is "to create, maintain, and extend throughout the school and community high standards of Christian character."

Richard Z. Ward was Jamestown's representative to the Albany Hi-Y Assembly where a model state government was set up. At this assembly he presented a bill "for the insurance of all students engaged in supervised school activities." The "bill," which was passed by the assembly, was written by Robert N. Nelson of Alpha Chapter.

During the year the Hi-Y group has taken part in many other activities, in-

cluding putting on a Christmas party for underprivileged children, contributing to World Service and to the Red Cross, and joining with the Mi-Y in Easter Vesper Services at the Holy Trinity Church. Among their social activities, Hi-Y sponsored two football dances and held a joint Hallowe'en party with Mi-Y.

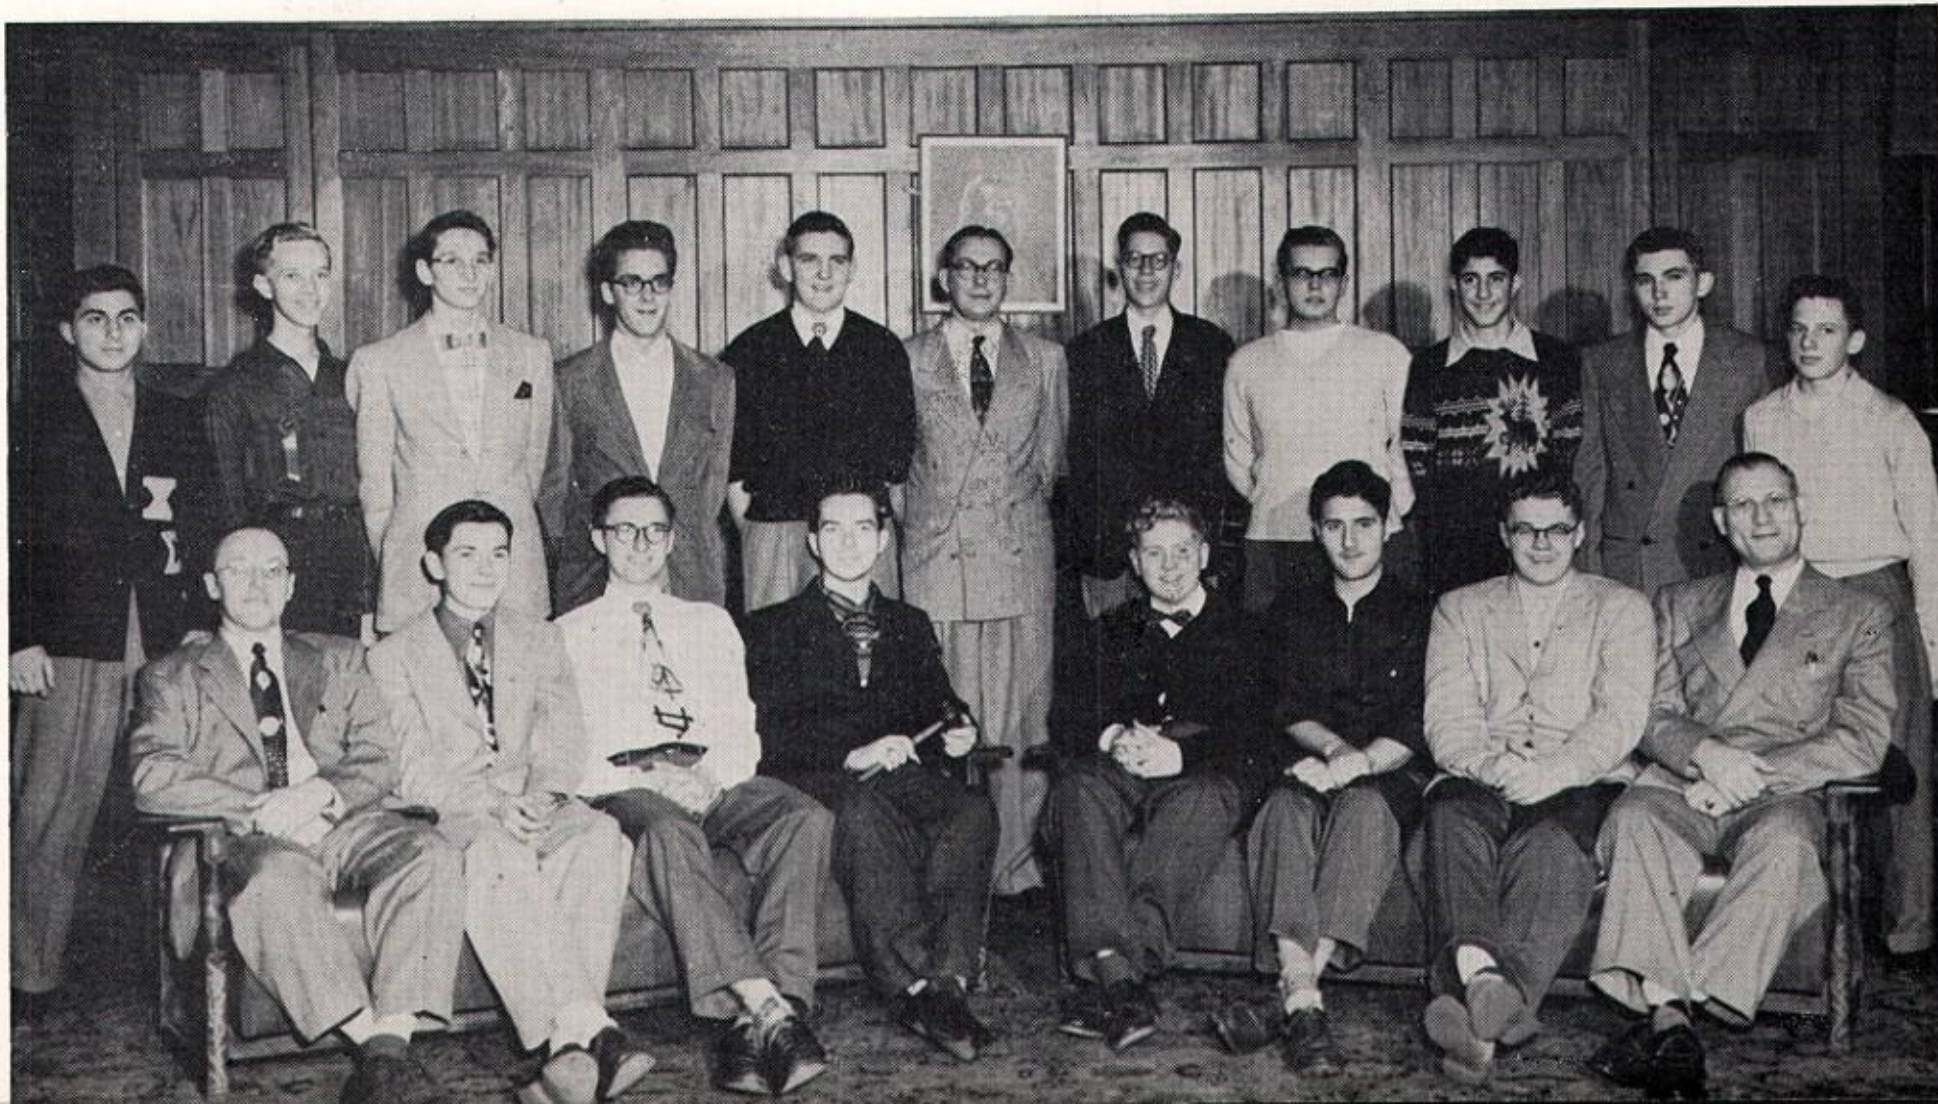

The 1951 Western New York Youth Conference will be held in Jamestown April 20-22.

LE CERCLE FRANCAIS

THE French Club or "Le Cercle Francais" is a newly formed organization in Jamestown High School. The club, directed by Miss Emma Barber, meets every Monday, seventh period, to play games, present skits, sing, or "parler" in French. Members claim that they learn something new every week. The parliamentary procedure is also attempted in French.

This year "Le Cercle Francais" sponsored the showing of the film, "Les Miserables," which was presented in two parts: the first, portraying the life of Jean Valjean, and the second, giving

the love-life of Cosette. Many students, including those without any knowledge of the French language, enjoyed the film.

Club members wear pins in the shape of a fleur-de-lis. Although a new activity, "Le Cercle Francais" has had a good beginning and is looking forward to another successful year.

The officers who helped make this year a success are as follows:

LOS AMIGOS de ESPANOL

"LOS AMIGOS," the new Spanish Club, organized in November, 1950, meets once a week for the purpose of giving students more practice in using the Spanish language. The members present short skits, play games and view movie travelogues. The club is directed by Miss Beatrice Eckberg and Miss Ethel M. Swanson.

One of the main activities of the club during the past year was the presentation of a well-attended movie entitled "The Adventures of Chico." Pupils from the Spanish classes of other schools also came to this movie.

Members are distinguished by the attractive silver, triangular pins which they wear.

Although this is one of the newer organizations, many Spanish pupils hope that it will be one of the permanent clubs in the school.

THE REC

UNDER the direction of the Executive Committee, guided by Mr. Alexis, the faculty adviser, and Dorothea Larson, the student chairman, the Rec has recorded another worthwhile year.

The high school gymnasium has been the regular Friday night meeting place of the Rec. For the most part the Jamestown High School Dance Band has furnished the music although the juke box was usually used after basketball games.

In February, students enjoyed an "admission free" dance through the courtesy of the Musical Performance Trust Fund which donated the services of Stew Snyder's Band. For the benefit of the students, the committee also put on a free Rec after one of the basketball games.

For the third year, the Vikings have permitted the use of their beautiful hall once a month. When the Christmas dance was held there, the Rec gave away candy and candy canes. A two-pound box of candy was presented to the winners of the Elimination Dance, a special feature of the evening. The students always enjoy this opportunity to visit the Vikings once a month, especially since the Rec has no place of their own.

As the *Red and Green* goes to press, the students are anticipating many more get-togethers at the Jamestown High School Rec.

KEY CLUB

MANY organizations spring up within the walls of a school, but the one organization which has as its only objective the services of its school and community is Key Club, a national organization founded and sponsored in Jamestown High School by the Kiwanis International.

During the past school year, Key Club members have assisted Kiwanis International and Jamestown High School in several ways. They have completed the solving of the parking problem, a project which was begun last year. They are serving as air raid wardens in the high school during experimentation of the Civil Defense Plan against possible atomic attack. When Kiwanis International needed help in distributing license plate accessories, the profits of which

went to its Underprivileged Children's Fund, they called on Key Club for assistance. Finally, Key Club has provided entertainment for the students of Jamestown High School by sponsoring a dance and a student-faculty basketball game.

In future years Key Club will prosper even more in such fertile ground as Jamestown High School.

SALS OF J. H. S.

THE "Sals of J. H. S." are twenty girls working in the library for the purpose of getting themselves and other people acquainted with books.

The group, although active all year, was not organized until January, 1951. Meetings are held every other Wednesday under the direction of Miss Rose Waite. The name Sals comes from the initial letters in Student Assistant Library Staff which these twenty girls make up.

All work and no play, however, is not the aim of the group, for a Christ-

mas Party and a Saint Valentine's Party have been occasions for enjoyable social gatherings. This spring the Sals will give a tea for all Honor Society members.

The "Sals of J. H. S." have proved themselves to be very useful in the library this past year. Everyone hopes that the club will continue in future years at Jamestown High School.

PINKIES

AN OPPORTUNITY to become acquainted with the ways of a hospital was again offered to junior and senior girls through the "Pinkies". Eleven girls were chosen for this work.

Called "Pinkies" because of their uniforms, a white blouse and pink jumper, the girls work at the Jamestown General Hospital, where they are under the supervision of Miss Fuzy.

All of the girls who have taken advantage of this opportunity consider their work definitely worthwhile and very rewarding.

The Junior Pinkies are Carole Bratt, Janet Eddy, Patricia Harner, Helene Lawson, Edna McDugald, Betty Smith, Carol Mae Swanson, Donna Swan.

PINKIES

Patricia Short, Shirley Mehr, Jo Ann Mead

TEACHERETTES

GIRLS interested in the teaching profession have been given an opportunity to get acquainted with the grade schools in this community. Once a week each girl, known as a teacherette, goes to a grade school, to which she has been assigned, in order to help the teacher and observe her methods.

The teacherettes and "Pinkies" are under the supervision of Miss Helen Overs and Miss Muriel Thompson, the girls counselors at Jamestown High School.

The girls feel that they gain a great deal from this training because they can find out whether they really should choose teaching as their profession.

THE Council of the Junior Red Cross was organized in the fall of 1950, as a representative group to develop and co-ordinate the Junior Red Cross program in the high school.

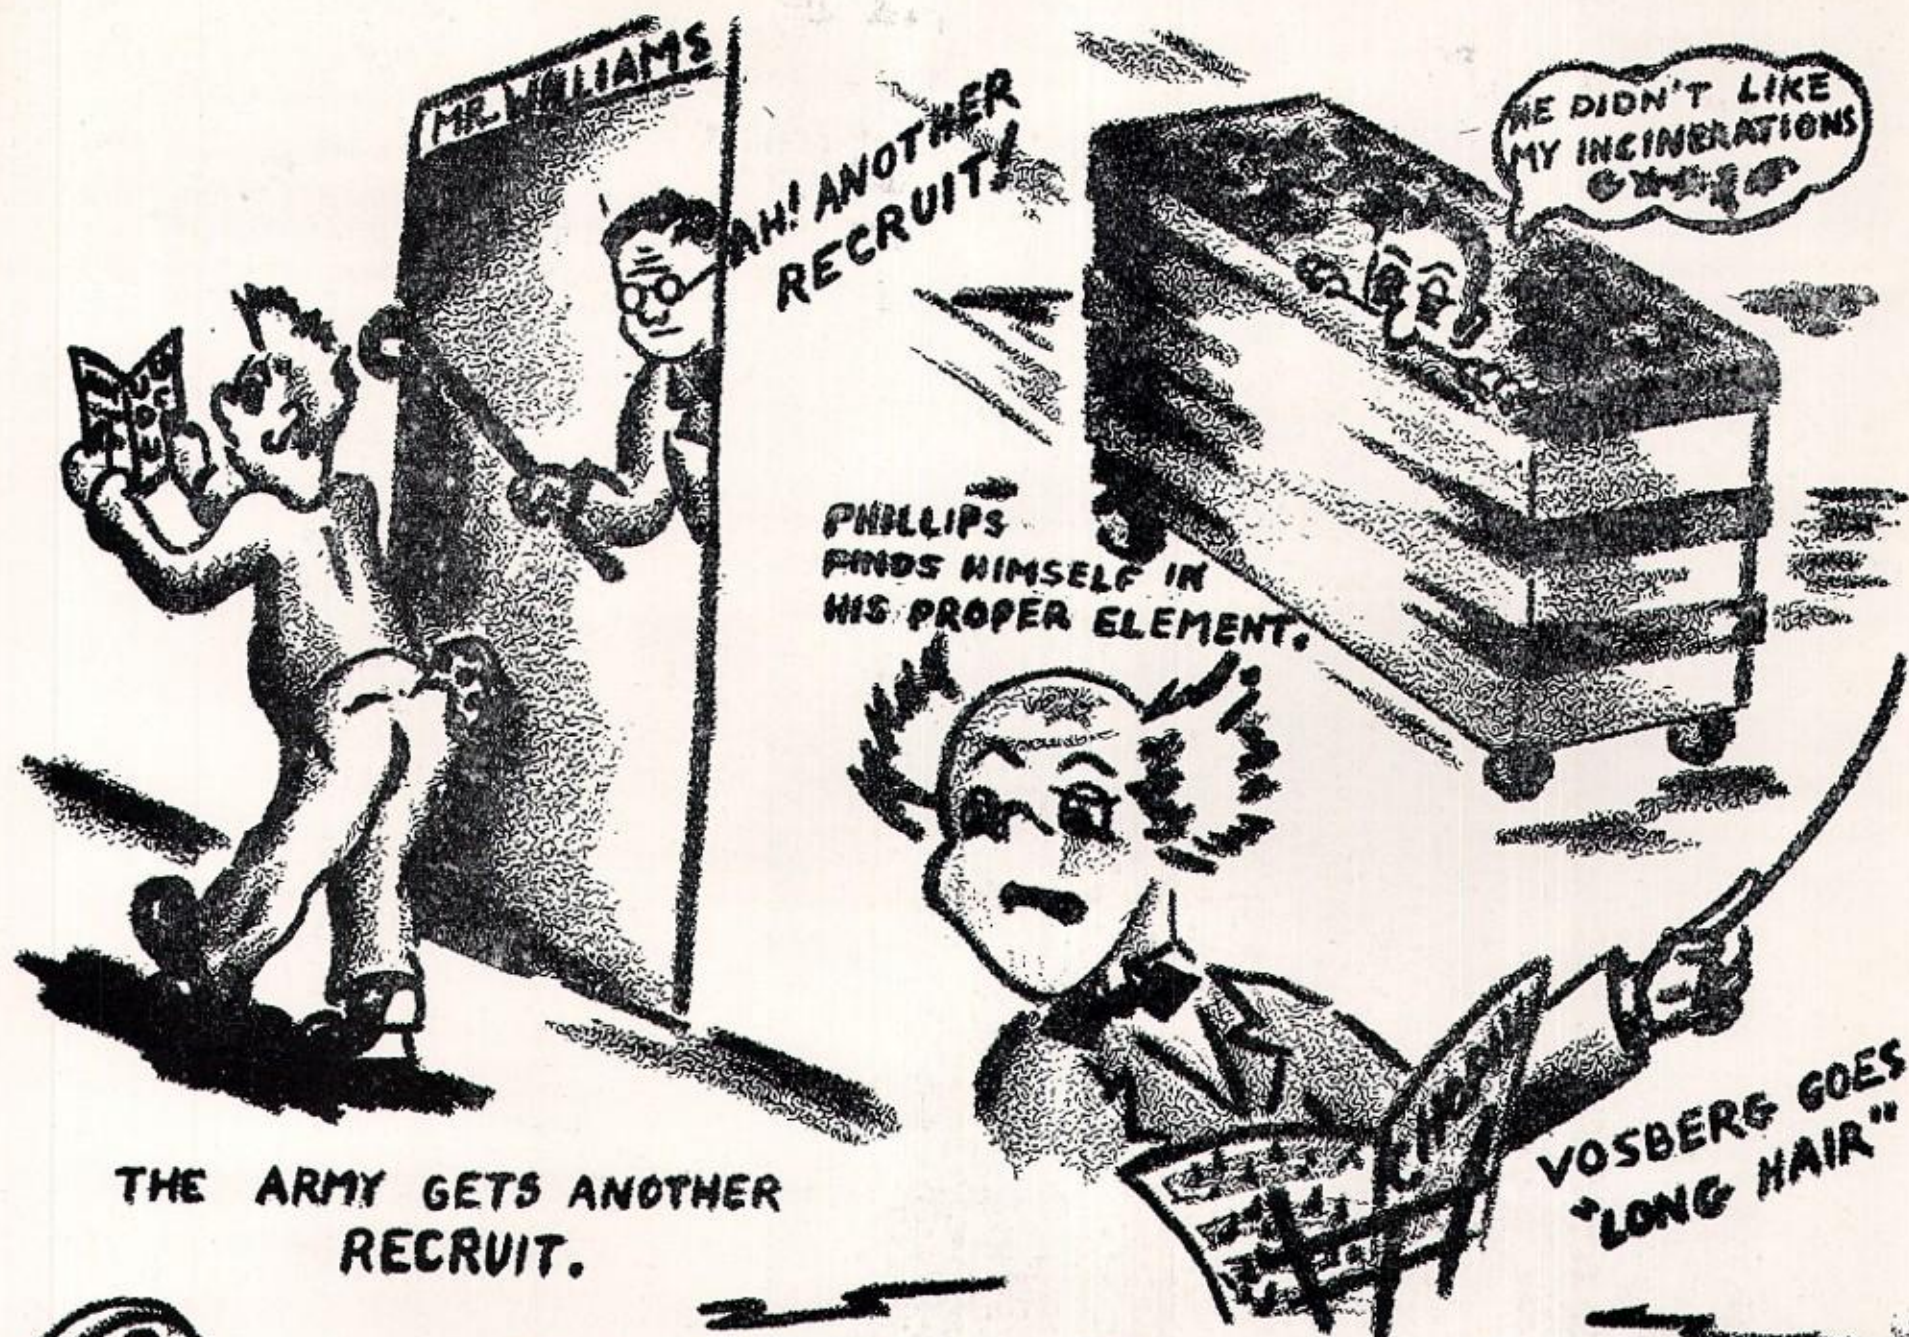

Accomplishments this year include taking a survey to get student opinions on the need for swimming instruction at Jamestown High School, giving assistance to the Senior Red Cross in the Blood Bank, and participating in the

fund raising drive of the Senior and the Junior Red Cross.

The aim of the Junior Red Cross members is "Service for others, for our country, our community, our school."

THIS little song appropriately expresses the sentiments of the Jamestown High School student who likes to defend his convictions, verbally. In the formal setting of the debate, he must have not only an extensive knowledge of his subject, but also the ability to put his ideas across effectively.

LYCEUM

LYCEUM, one of Jamestown High School's oldest organizations, has been enjoying a superb year of activity. Many of the events of the passing season show strong evidence of an outstanding year; there have been panel discussions, interschool debates and the regular business meetings, highlighted by interesting programs, some of which have varied from group participation in public speaking to listening to guest speakers.

Students in Lyceum are thus gaining much experience in public speaking. They are taught, through attending meetings, debates and discussions how to "think on their feet". In preference to memorized speeches, the members make use of extemporaneous speaking. Not only do they learn to speak effectively, but they also learn the art of group leadership and parliamentary procedure.

One of the main duties of Lyceum is to assist the Varsity Debaters. In the

past year, the group assisted in housing visiting debaters, in securing transportation for trips, and in supplying chairmen for local debates.

On the social side, members have sponsored a basketball dance and put on a joint dance with Hypatians. Everyone is now anticipating the annual picnic in June.

Mr. Robert C. Wilson is the adviser of the Lyceum.

HYPATIANS

ONE of the most active and progressive organizations in Jamestown High School is the girls' debating club known as Hypatians. These girls show their interest in civic affairs by belonging to a club whose ideal is the molding of future citizens and leaders. Mr. Robert C. Wilson is the adviser.

During the year Hypatians have had several excellent programs, at one of which the club introduced its members to court procedure by holding a mock trial on the subject: "Mr. Wilson is more partial to Lyceum than to Hypatians."

Practice in the rudiments of public

speaking is a major aim of the club. Its members take part in oratorical contests, give service speeches for charitable organizations, and present timely panel discussions for both school and outside projects.

The element of good fun is not lacking. Last fall Hypatians gave an all-day picnic for the members of their co-organization, the Lyceum. This was held at the summer camp of Mrs. J. W. Packard in Ashville. Two dances following basketball games have been held. Other club projects include such things as fudge and candy sales during the intermission of high school plays.

VARSITY DEBATE

ANOTHER debating season will soon terminate with numerous victories on the records.

Early in December, the current season was sparked off to a successful beginning at the Cortland Tournament.

The regular debate proposition for the 1950-51 season has been this timely question, "Resolved: That the American people should reject the Welfare State." In the Pennsylvania debates, however, Jamestown High School debaters used a different topic, namely, "Resolved: That social benefits be extended to the American people by the Federal Government."

The main part of the Varsity Debate Squad is composed of experienced debaters, most of whom are juniors and

seniors. Other members of the squad spend their time learning the fundamentals of debate.

Mr. Robert C. Wilson is the director of the group which also includes those students who have been named to the National Forensic League because of active participation in various debate groups. Election to the league is on a point basis. National Forensic members are as follows:

Calvin Torrance	Donald Martinelli
John Van Norman	Andrew Tangalos
Priscilla Burrows	Gerald Seely
Myrle Warn	Donald O'Polka

HALL DEBATE

LEFT TO RIGHT: Eliot Minsker, Calvin Torrance, Miles Nesman, Samuel Biendolillo, George Crozier, Robert Nelson.

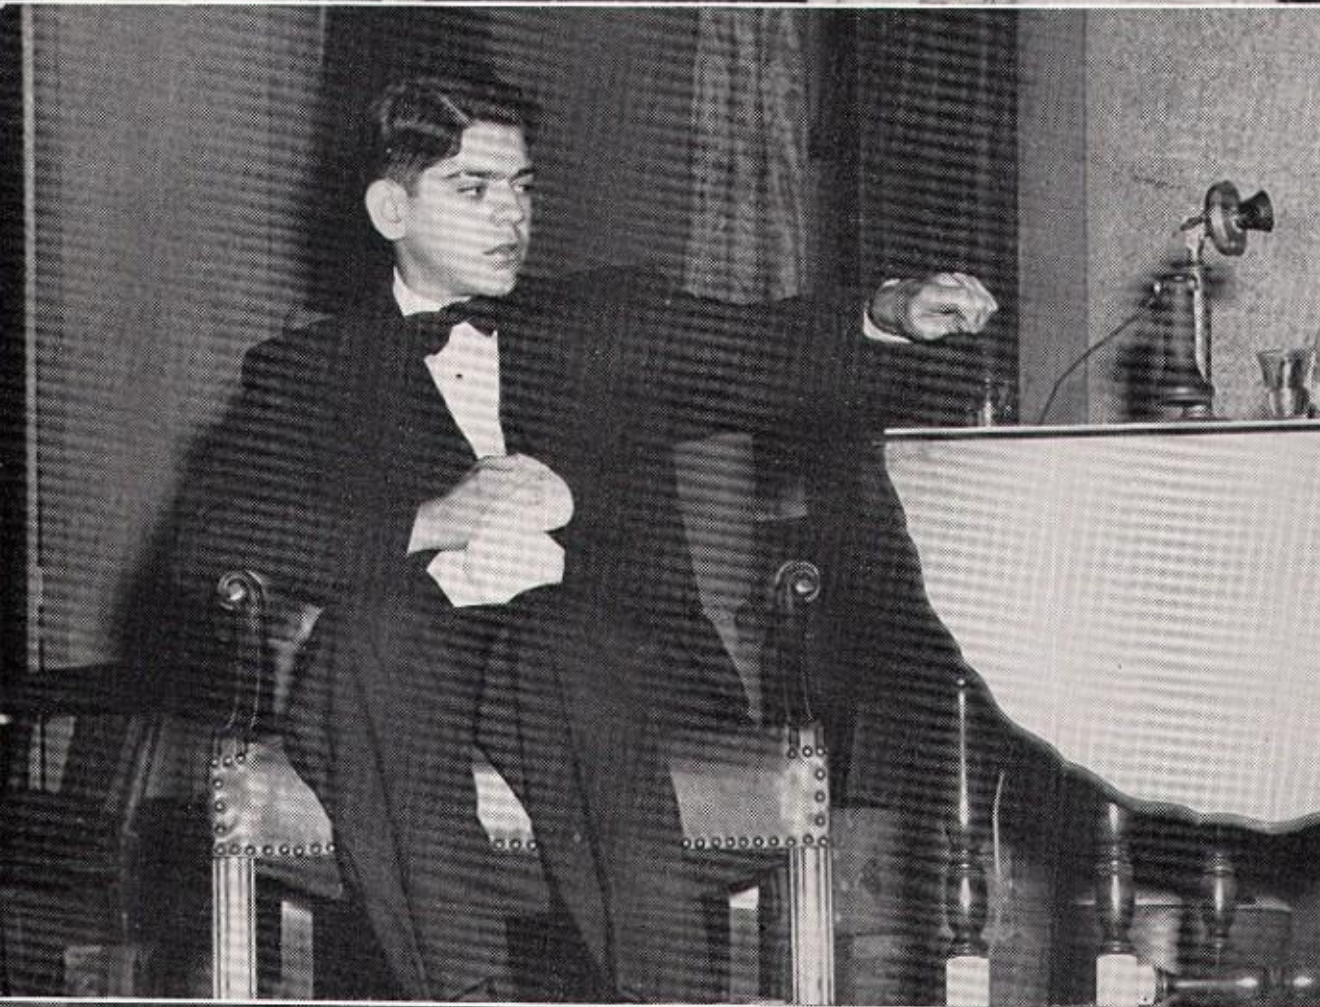

EVERY year the Jamestown High School auditorium is the scene of one of the most intense rivalries between the Senior and Junior classes. This is the Charles E. Hall Debate which represents top competition in the forensic art. Each class contends for the possession of a highly cherished trophy which, twenty-nine years ago, Mr. and Mrs. Frederick P. Hall presented to the high school in memory of their son, Charles E. Hall, an active debater who died during his Senior year.

This year the Senior Class is most ably represented by Miles Nesman, Calvin Torrance, and Eliot Minsker. The Juniors, who are working hard to win the cup, are George Crozier, Sam Biendolillo, and Robert Nelson.

The topic for the debate, which will be held June 4, is "Resolved; That the United States should form a Pacific-Asiatic pact with the non-communist nations."

THESPIANS

THESPIANS, an honorary dramatic organization under the direction of Miss Myrtle Paetznick, has been active in Jamestown High School for twelve years. Persons who excel in the field of drama are eligible for membership in Thespians.

Highlights in the year's activities were a dinner at the home of one of the members, two induction ceremonies, and the presentation of the annual play. In June it is customary to have a party, usually in the form of a banquet.

The main undertaking of the year was the staging of the exciting mystery, "A Murder Has Been Arranged," by Emlyn Williams, on January 13, 1951. The setting of this play is on the stage of the St. James Theater in London,

England. The plot centers around Sir Charles Jasper who is to inherit a considerable sum of money. His only living heir, Maurice Mullins, enters the scene to commit what he considers the perfect murder. Much to his disgust, however, a flaw is found when Sir Charles's ghost appears. This makes Maurice confess his whole plan.

The play marked another outstanding achievement for Thespians.

PRETENDERS

PRETENDERS, one of the most active groups in Jamestown High School, will complete another outstanding year this June. Supervised by Miss Myrtle L. Paetznick, dramatic coach, they have carried out in a commendable manner their aim of promoting dramatics and speech.

The annual play, presented on Saturday, November 3, 1950, was "Chicken Every Sunday." Displaying the best talent to be found, the cast received praise from both students and adults. The action of the play centers around Mr. and Mrs. Blackman, the proprietors of a boarding house, and their numerous and rather eccentric boarders.

On March 14, Pretenders had the pleasure of hearing Miss Mary Johnstone, Youth Ambassador, give a talk on her trip to France.

As is their custom, Pretenders will prepare a one-act play for the Play Festival in Fredonia on April 27-28.

Another project, planned by Pretenders with a view toward interesting others in dramatics and speech, is the Public Speech Contest. The winner of this yearly contest will receive a cash award.

THE PLAYS OF THE YEAR

DRAMATICS play a large part in the program of extra-curricular activities at Jamestown High School. This year four major plays have been presented, three comedies and a mystery. *Chicken Every Sunday* has its setting in the early 1900's; *Our Hearts Were Young and Gay*, in the picturesque flapper era; and *A Murder Has Been Arranged* and *Our Miss Brooks*, in modern times.

All of these plays have been skillfully directed by Miss Paetznick with the aid of student directors and bookholders. Because the casts have performed with such ease and ability, each presentation has been thoroughly enjoyed by its audience. Last, but far from least, the stage crews, with little recognition, have faithfully executed the hundred and one odd jobs essential to the smooth production of a play.

PLAYHOUSE

AS USUAL, members of Playhouse, the sophomore dramatic group, have had an active season. They have produced several one-act plays, including "The Ghostly Passenger" and "Glamour". The Christmas party proved to be an outstanding social event for the group, a holiday flavor being added by the appearance of Santa Claus. Playhouse will wind up its dramatic season with Playhouse Play Night on May 11.

This sophomore dramatic group gives the drama enthusiasts just entering from the junior highs a chance to do

dramatic work before they qualify for Pretenders. It also permits anyone who has not had any experience on the stage to try out his dramatic talents. Then, too, Playhouse makes it easier for the Sophomore Class to find talent for assemblies and class parties.

Miss Myrtle L. Paetznick is the faculty adviser.

JAMESTOWN HIGH

THE A'Cappella Choir is one of the busiest classes in Jamestown High School. The members of this group, under the direction of Miss Ebba H. Goranson, have had an unusually active season.

This year, the Christmas schedule consisted of the annual vesper services,

numerous appearances for Jamestown clubs, Christmas sings, and hospital caroling. The experience of Christmas singing is always remembered and cherished in later years by the participants.

Upon returning to school after Christmas vacation, the A'Cappella began rehearsing for the spring concerts.

SCHOOL A'CAPPELLA

The choir sang in the second and third concerts, on April 17 and May 23. Other spring activities will include a trip to Kane, Pennsylvania, on May 2, and singing at the Memorial Day services in Jamestown.

A'Cappella Choir members gain valuable experience and derive endless

pleasure from participation in a choir so well-organized and capably directed.

JAMESTOWN HIGH

THE orchestra boasts a large number of stringed instruments this year and although there has been an absence of wind instruments, this section has shown signs of improving during the second semester.

Jamestown was very fortunate this fall in being host, November 17-18, to a sectional all-state music festival presenting three units: an orchestra, a chorus and a band. Members of various neighboring high schools arrived Fri-

day, November 17, practiced for two days and gave a concert on the evening of November 18.

On April 17, the orchestra will give its big concert and six weeks later, on the night of May 23, it will perform again along with the band and chorus.

Participation in a sectional spring festival will close a busy season for the orchestra.

Miss Ebba H. Goranson directs the orchestra.

JAMESTOWN HIGH SCHOOL

UNDER the direction of Mr. Delbert Vosburg, the Jamestown High School Band has achieved great success and popularity this past year.

During the football season the members were kept very busy. They played at every home game, presenting precise unit marching before the games and during half-time. One of the most outstanding performances of the fall season was that put on for "Dad's Night," when the stadium lights were turned out and lighters and matches gleamed throughout the park while the band played "For He's A Jolly Good Fellow". The group performed at only one out-of-town game, the one at North Tonawanda.

Immediately after the football season, the band settled down to prepare for the concert season. It took some long practicing hours to achieve the praiseworthy

"esprit de corps" which was detected by the people who attended the first concert.

The day after the concert the band played at an assembly for the whole student body. To the delight of all, "Dry Bones," complete with all the trimmings, was included in the selections. A gong and dimming of lights set the background for the entrance of two tap dancers dressed in luminous skeleton outfits.

The final concert, in which all musical organizations will participate, will be held May 23.

DANCE BAND

STARTED but three years ago, the Jamestown High School Dance Band is one of the newest and most popular organizations. The band plays at various school functions, such as basketball dances, school assemblies, class parties and the Rec.

Members are easily recognized by their attractive maroon sport coats, yellow ties and modern band boxes.

This year the Dance Band has been ably directed by Norman Booth, Class of '50.

MAJORETTES

FROM TOP LEFT: Patricia Lund, Edna McDugald, Georgia Alexander, Nancy Sandell, Ineze Eckberg, Betty Smith, Sandra Moon.

MAJORETTES

SEVEN brightly dressed majorettes add much zest and color to the Jamestown High School marching band.

The head majorette, attired in an outfit of blue and red, and six majorettes, dressed in uniforms of white satin, per-

form talented routines at every home football game. They also go to some out-of-town games.

Many eyes will be on the girls when they march down the street, batons spinning, in the Memorial Day Parade.

CHEERLEADERS

CLOCKWISE: Carol Weaver, Donna Lamb, Iris Carlson, Nina Malta, Barbara Avallone, Eunice Varley.

"Take Me Out To The Ball Game"

ATHLETICS

TODAY we are more likely to hear, "Let's go to the game tonight"; but the appeal of sports has not changed since the time when this song was written. Our high school football, basketball, baseball, and track teams afford us, the proud spectators, endless pleasure.

FOOTBALL

COACH Walter Colburn can well be proud of the gridiron record posted by the 1950 aggregation of Red Raiders. His charges swept through their schedule, losing only to all-powerful North Tonawanda, thereby extending a Jamestown High School winning streak to fifteen straight games.

In the first game of the season, the Raiders easily beat Kenmore, 20-0, full-backs Bumbalo and Ferrau accounting for three touchdowns.

Tonawanda went down, 14-0, as alertness on the part of the Raiders paid off.

After Tonawanda came an eventful Dunkirk contest that really had the fans howling. Dick Wright scored three touchdowns, and Bill Brown, a new star, galloped sixty yards for a touchdown. The latter had another long touchdown count called back for a rule infraction. The Red Raiders triumphed easily, 27-2.

Lackawanna proved the toughest grid opponent of the young season, but with

alertness and a few breaks, not to mention tackle Sam Guiffreda's outstanding play, Jamestown managed to eke out a victory, 18-13.

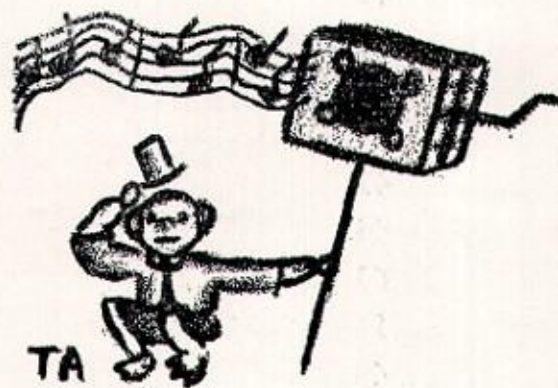

The Raiders again took advantage of the breaks in defeating Elmira, 13-7. Brown raced seventy-six yards for a touchdown and Guiffreda ran back a fumble to the six-yard line.

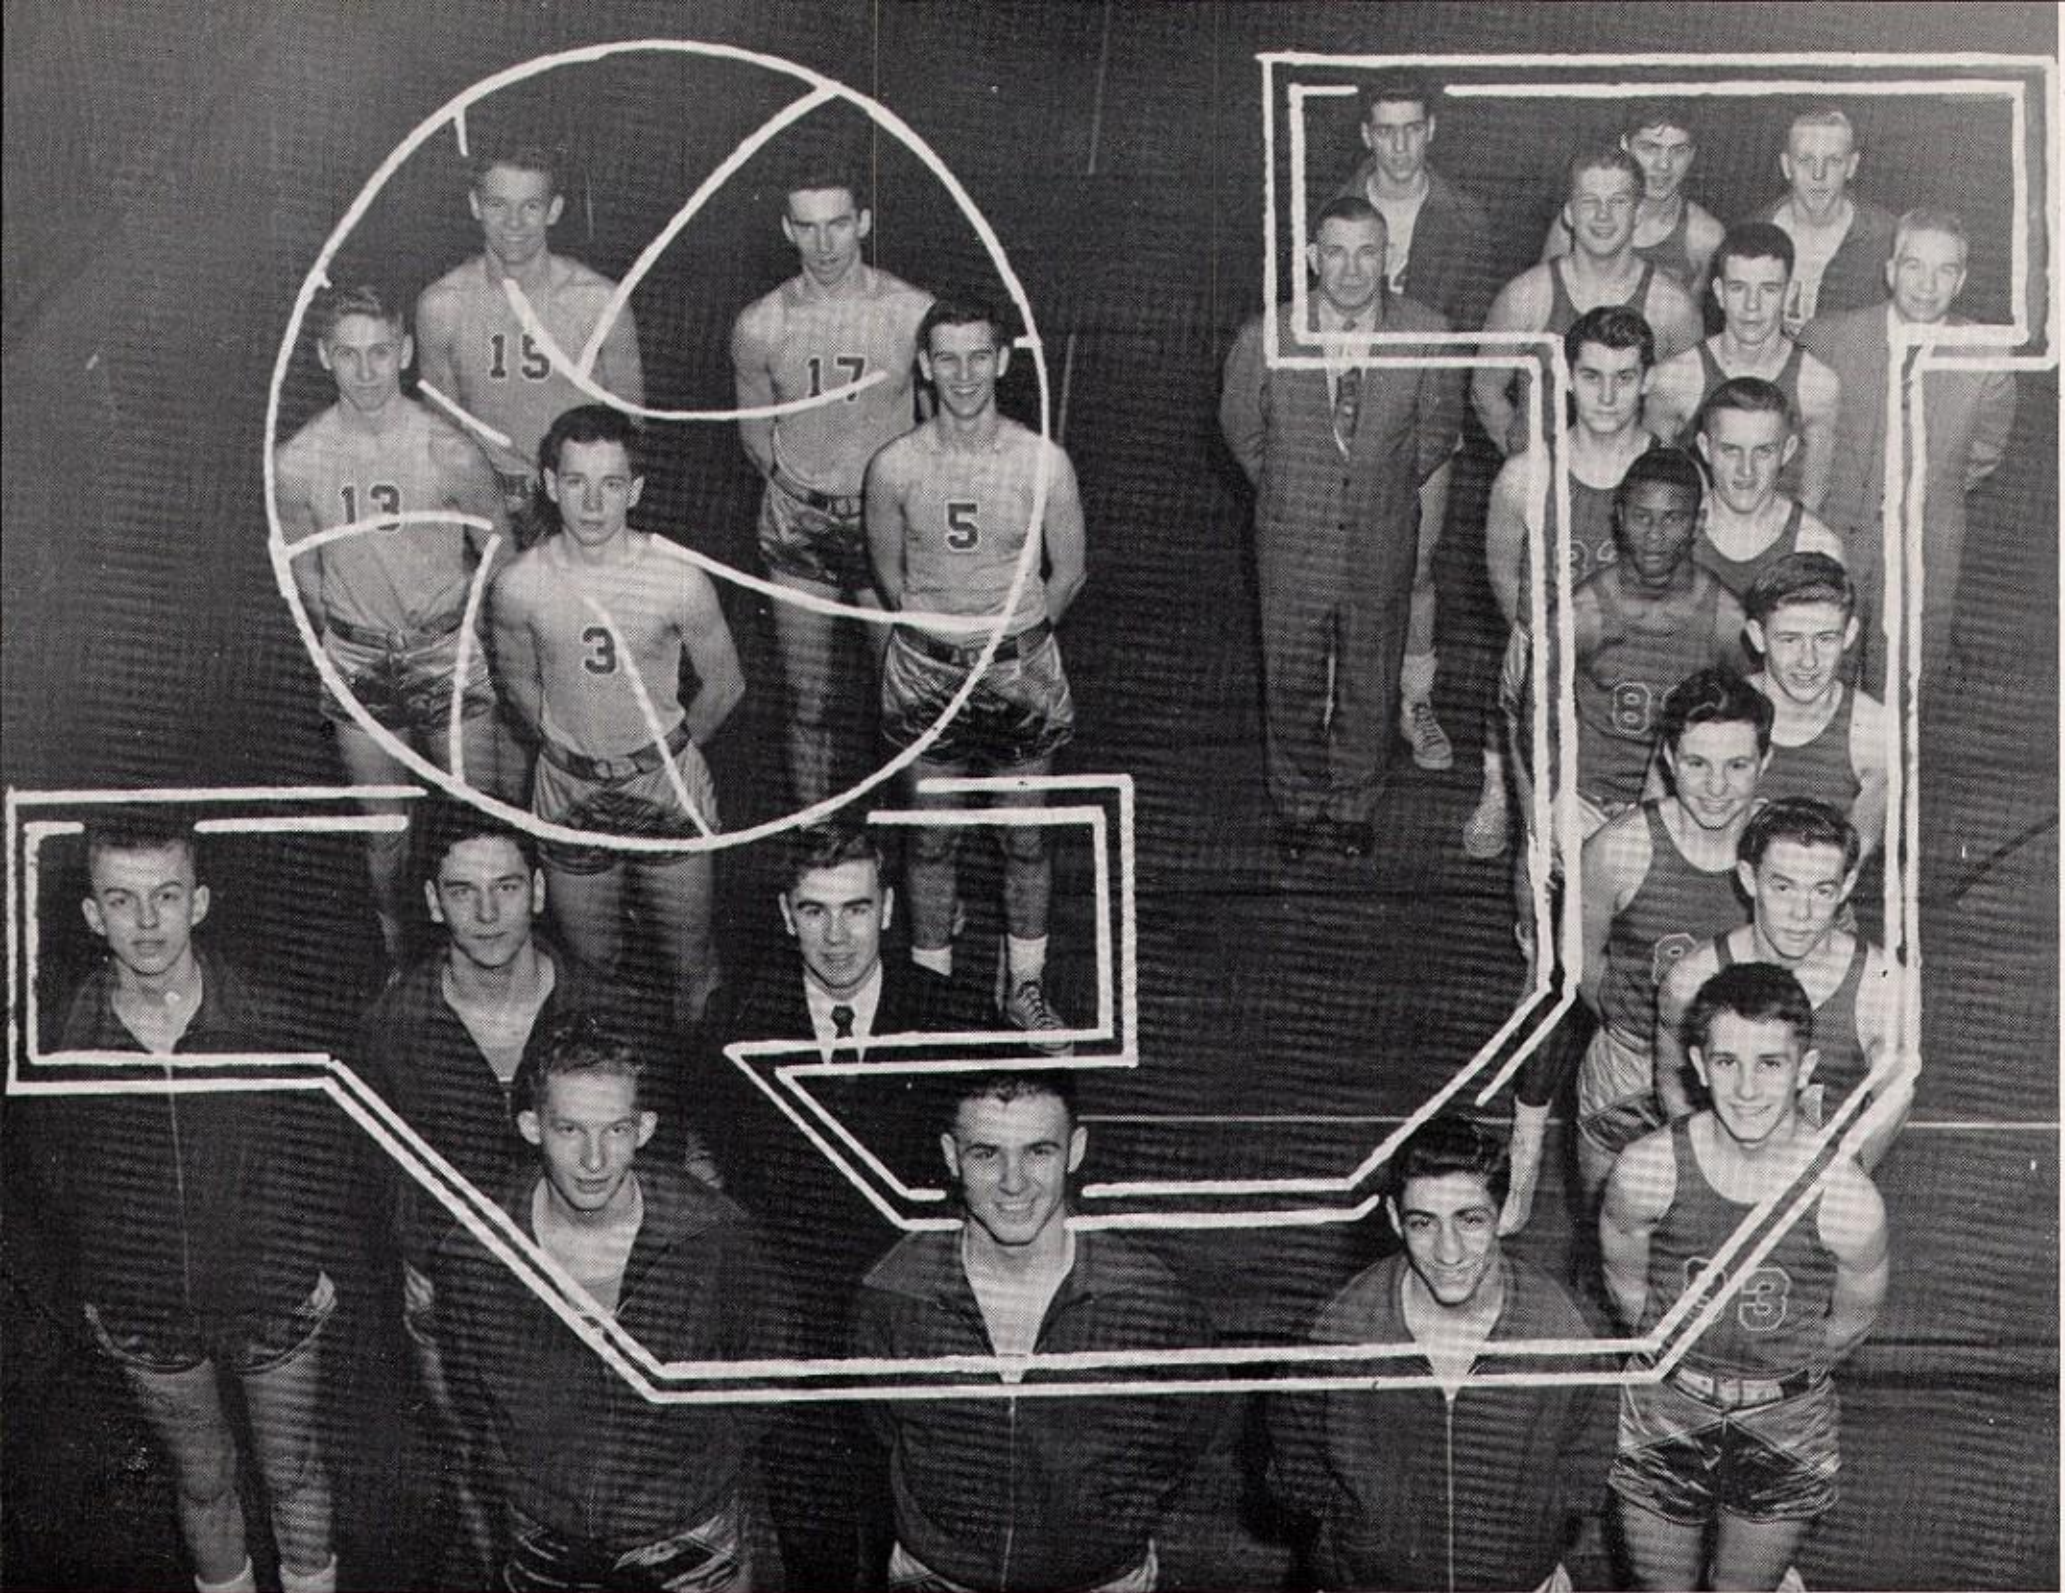

The next game was a disastrous encounter with powerful North Tonawanda. About 500 loyal rooters who made the trip to the Buffalo suburb were sadly disappointed as the Raiders took a drubbing, 33-0.

Bouncing back from this defeat, Jamestown made Binghamton look easy, beating them, 14-6.

Olean, in like manner, proved easy meat for the Raiders as the Huskies absorbed a 28-12 beating.

In their seven victories, Jamestown High School ran up 134 points to their opponents' 40. It is interesting to note that quarterback Calanni made seventy per cent of his conversion attempts.

BASKETBALL

COACH Rolland H. Taft's watchful coaching has brought glory and fame to Jamestown High School in the form of an unusually successful basketball squad. This year's record of fourteen wins and five losses does not completely reveal the skill of what will probably be remembered as one of Jamestown High School's greatest basketball teams. Although at the beginning of the season the team's poor ball handling was very noticeable, gradual improvement became apparent.

The first game of the season resulted in a win for the Red Raiders, Hornell's Red Raiders, that is. The next few games were romps until the substitutes came in, and then the close finishes brought the fans to their feet. There followed a winning streak of six games, including successive wins over Gowanda, Dunkirk, Southwestern, Fredonia, Olean and Falconer. Then once again Jamestown met Hornell's Red (alias Black) Raiders. Black are the days when we tangle with Hornell. The latter has proved a jinx, for in only four meetings with them, Jamestown huskies have yet to win.

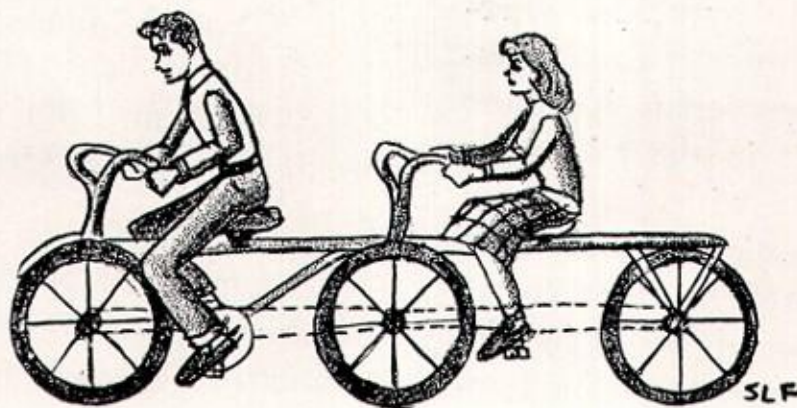

On January 26, the team went all the way to Watertown where, after a ten-

hour journey, they suffered their third loss of the season. They more than gained revenge the next night, however, when they whipped Immaculate Heart Academy of Watertown, 69-48.

After winning the next two games over Gowanda and Olean, they blew a 19-point half time lead and suffered their only league loss to Dunkirk, 53-48.

The victories over Southwestern and Falconer were only lead-ups to the climax of the season, the 77-73 win over Geneva in an overtime. This game will always be remembered as one of the greatest games ever played by a Jamestown High School basketball team. Then, the Raiders defeated Olean for the Bi-County title, but lost, 65-61, to Niagara Falls in the sectionals at Buffalo.

The team was paced by the fine playing of its two all-star players, Dick Howard and Gordy Martin, and also the fine work of Bud Foster, Rog Kotsakis, Joe Mistretta and Tom Swanson. The squad was weakened at mid-term by the loss of Alan "Swede" Dahl, a regular starter, and Don Sundlov. Jamestown High School won the Lake Shore League, County "AA," and Bi-County "AA" titles.

1950 TRACK

BECAUSE of weakness in depth of material, the 1950 team of Jamestown High School failed to bring home many victories.

In its first outing, after weeks of training under Coach Rolland Taft, the Taftmen whipped Olean, 64-40, in a dual meet at Olean. Spurred by this first win, the Raiders won over Southwestern, 78-28, in a dual meet at Southwestern. The always powerful Kenmore team took first place in the triangular contest at Dunkirk, with Jamestown trailing in third position. After that loss the trackmen made a slight comeback by taking second place in the County Meet at Southwestern, the fleet-

footed men of Fredonia running away with top honors. Upon the conclusion of the season the Raiders traveled to Kenmore for the Sectional Meet and were badly beaten, Amherst coming out on top over Kenmore and Niagara.

The following received letters: Donald T. Anderson, Joseph Auria, Sebastian Calanni, James Dolan, Samuel Guiffreda, Robert Harrison, Lee Kellogg, William Leonard, Allen Strandberg, and Robert Utter.

This spring Coach Taft thinks he will have some very potent material to develop into an outstanding team for Jamestown High School.

1950 BASEBALL

AS USUAL, the 1950 edition of the Jamestown High School baseball team had a fine season, winning ten games and losing three, and capturing the Southern Tier Championship.

Roger Hermanson, Chuck Hendrickson and Randy Hunter walked away with the batting honors, each hitting around the .400 mark. Don Sundlov was the mainstay of the pitching staff, ably backed up by Sam Milioto and Bob "No-Hit" Gunnell.

The Jamestown Jayvees won the Eastern Chautauqua County championship, winning seven games without a loss.

The varsity opened its season at Fredonia and won 14-3, behind the one-hit pitching of Sundlov.

Even this fine pitching performance, however, took a back seat to the effort turned in by Sophomore Bob Gunnell against Westfield. Gunnell fired a no-hitter in his high school pitching debut, Jamestown winning, 14-0.

At the hands of that same Westfield

team, Jamestown suffered its first loss in two years, 5 to 1. Gunnell was the losing hurler, although he gave up only one hit.

Jamestown won the Bi-County title from Olean, 1 to 0, at Olean, Sundlov setting down the losers with only three hits.

In the Section VI finals, the Raiders unfortunately lost a 3 to 2 decision to North Tonawanda at Jamestown. Sundlov allowed but three hits, but a pair of errors in the late innings lost the game.

J-CLUB

THE J-Club, under the guidance of its two advisers, Mr. Rolland Taft and Miss Gretchen Sander, has truly achieved its goal, which is the promotion of school spirit. This goal was reached by the hard work and cooperation of the club's entire membership. The J-Club is open to any boy or girl at Jamestown High School who has earned a letter in any varsity sport or in cheerleading.

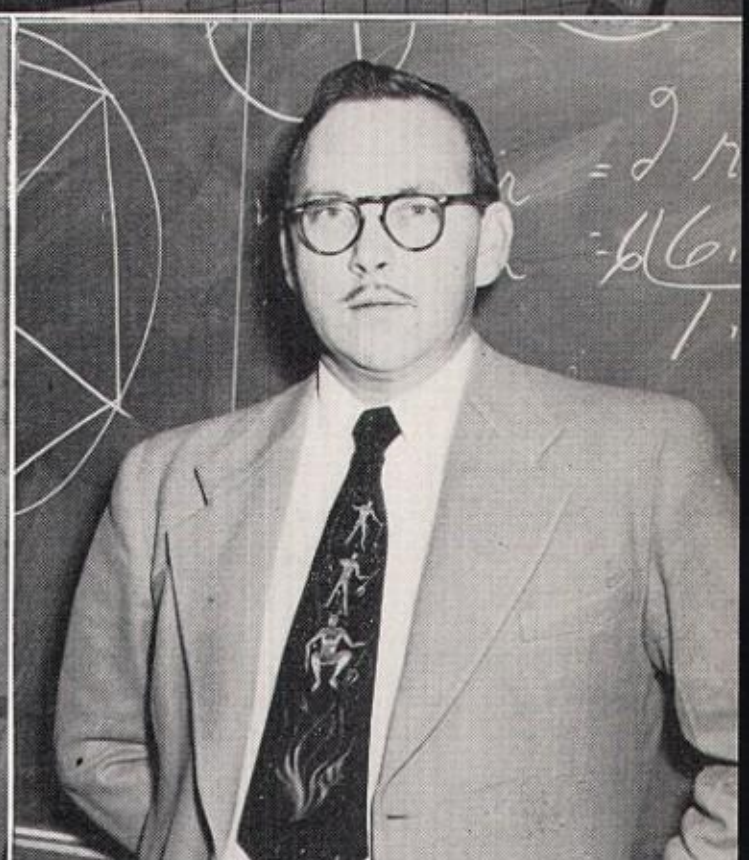

The main project of the year was selling programs during the football sea-

son. The J-Club also sponsored various athletic functions for the Jamestown High School Athletic Association.

One of the high spots in each season's program is the annual summer picnic. Plans are now being made to make this year's a memorable event.

OTHER ATHLETIC ACTIVITIES

BOYS' INTRAMURALS

ONCE again the Boys' Intramural Sports have had an interesting season at Jamestown High School. Under the direction of Coach Rolland Taft, the homerooms and individuals competed in the following: bowling, rifle club, foul shooting, tennis and golf.

Almost two hundred boys played touch football, and senior homeroom 125 came out on top. The table tennis tournament was won by Robert Erickson, a junior. This year the bowling was organized on a homeroom basis.

Although there are no material rewards, intramurals provide opportunities for boys who do not have the time for varsity sports, and they are truly enjoyed by all participants.

CHEERLEADERS

SIX spirited cheerleaders have spurred our varsity football and basketball teams on to victory this year. Colorful new costumes consisting of white sweaters and green skirts have made our pretty cheerleaders even more attractive. In addition to supporting the team at home and away, the girls have taken care of chartering several buses, making it possible for students to go to the out-of-town games.

The varsity cheerleaders this year are: Barbara Avallone, Eunice Varley, Iris Carlson, Donna Lamb, Carol Weaver, and Nina Malta.

The second and third-string cheerleaders have taken turns in leading the yells at the "Jayvee" games. They are as follows:

Second string — Nancy Edson, Ann Keyes, Jackie Olson, Dianne Sanford, and Mary Stone.

Third string — Carol Fullerton, Jean Jackson, Mary Ann Jensen, Janice Leathers, and Mary Rigoli.

The cheerleaders are coached by Miss Gretchen Sanders.

GIRLS' INTRAMURALS

UNDER the supervision of Miss Gretchen Sander and Mrs. Mildred Hunt, the high school girls have participated in all kinds of activities, such as, bowling, archery, volleyball, badminton, tennis, cageball, table tennis, softball and basketball.

Table tennis tournaments interested many girls. The winners in singles, Class A, were as follows: first place, Anne Sink; second place, Barbara J. Swanson. Mary Ann Butler won first place in Class B, with Jean Hall coming in second. The doubles tournament was won by Alyce Hawkins and Ann Donaldson.

From the girls who turned out for basketball this year, two teams were chosen to participate in sports day, which was held on January 13, at Jamestown. The first team was made up of Jean Hall, Teresa Fiorella, Mary Lou Rigoli, Sally Tilaro, Marilyn Woods, and Barbara J. Swanson. On the second team were Mary Newburn, Sylvia Mason, Romaine Lindquist, Mary Ann Jensen, Carol Colera, and Carolyn Triscari.

RIFLE CLUB

THIS group of sharpshooters is supervised by Coach Harold Rubens. Using only 22-caliber rifles, the boys learn to handle rifles safely. They are taught proper sitting, kneeling, lying and standing positions while firing.

Although the Rifle Club members are using their own rifles this year, it is hoped that the firearms will be provided next year.

Through club membership these students learn to become expert and safe marksmen.
